

I love what I do. I am a front-end designer looking to combine my previous experience in legislative work and foreign language teaching to design products that actually solve real world dilemmas.

## Education

2023-03 -  
2023-09

### Web Development

*Le Wagon*

Full-stack Web developer coding bootcamp. Through individual and pair-programming projects we completed challenges using Ruby, Ruby on Rails, Figma, HTML5, CSS, Javascript, PostgreSQL, bootstrap, Heroku, webpack, and more.

2015-09 -
